## **The tale of Lance Gilliams Mac Pherson**

His presence among us and his contributions to the life of our gang are greatly appreciated.

Say farewell to the life of cringing fear and fleeing cowardice. «Whiskys and beers, motorbikes and cars, sexe and fight, like an rock'n roll's life.» The tale of Lance Gilliams Mac Pherson is a pertinent example of this way of learning.

He is alluding to the bloody biker wars waged by criminal gangs in the 1990s.

The poem tells the tale of Lance who journeys through the twisted, menacing nine circles of hell in pursuit of his beloved Pontiac GTO.

And if we look at the life of any saint in the history of the Church we will find this «same» ministry.

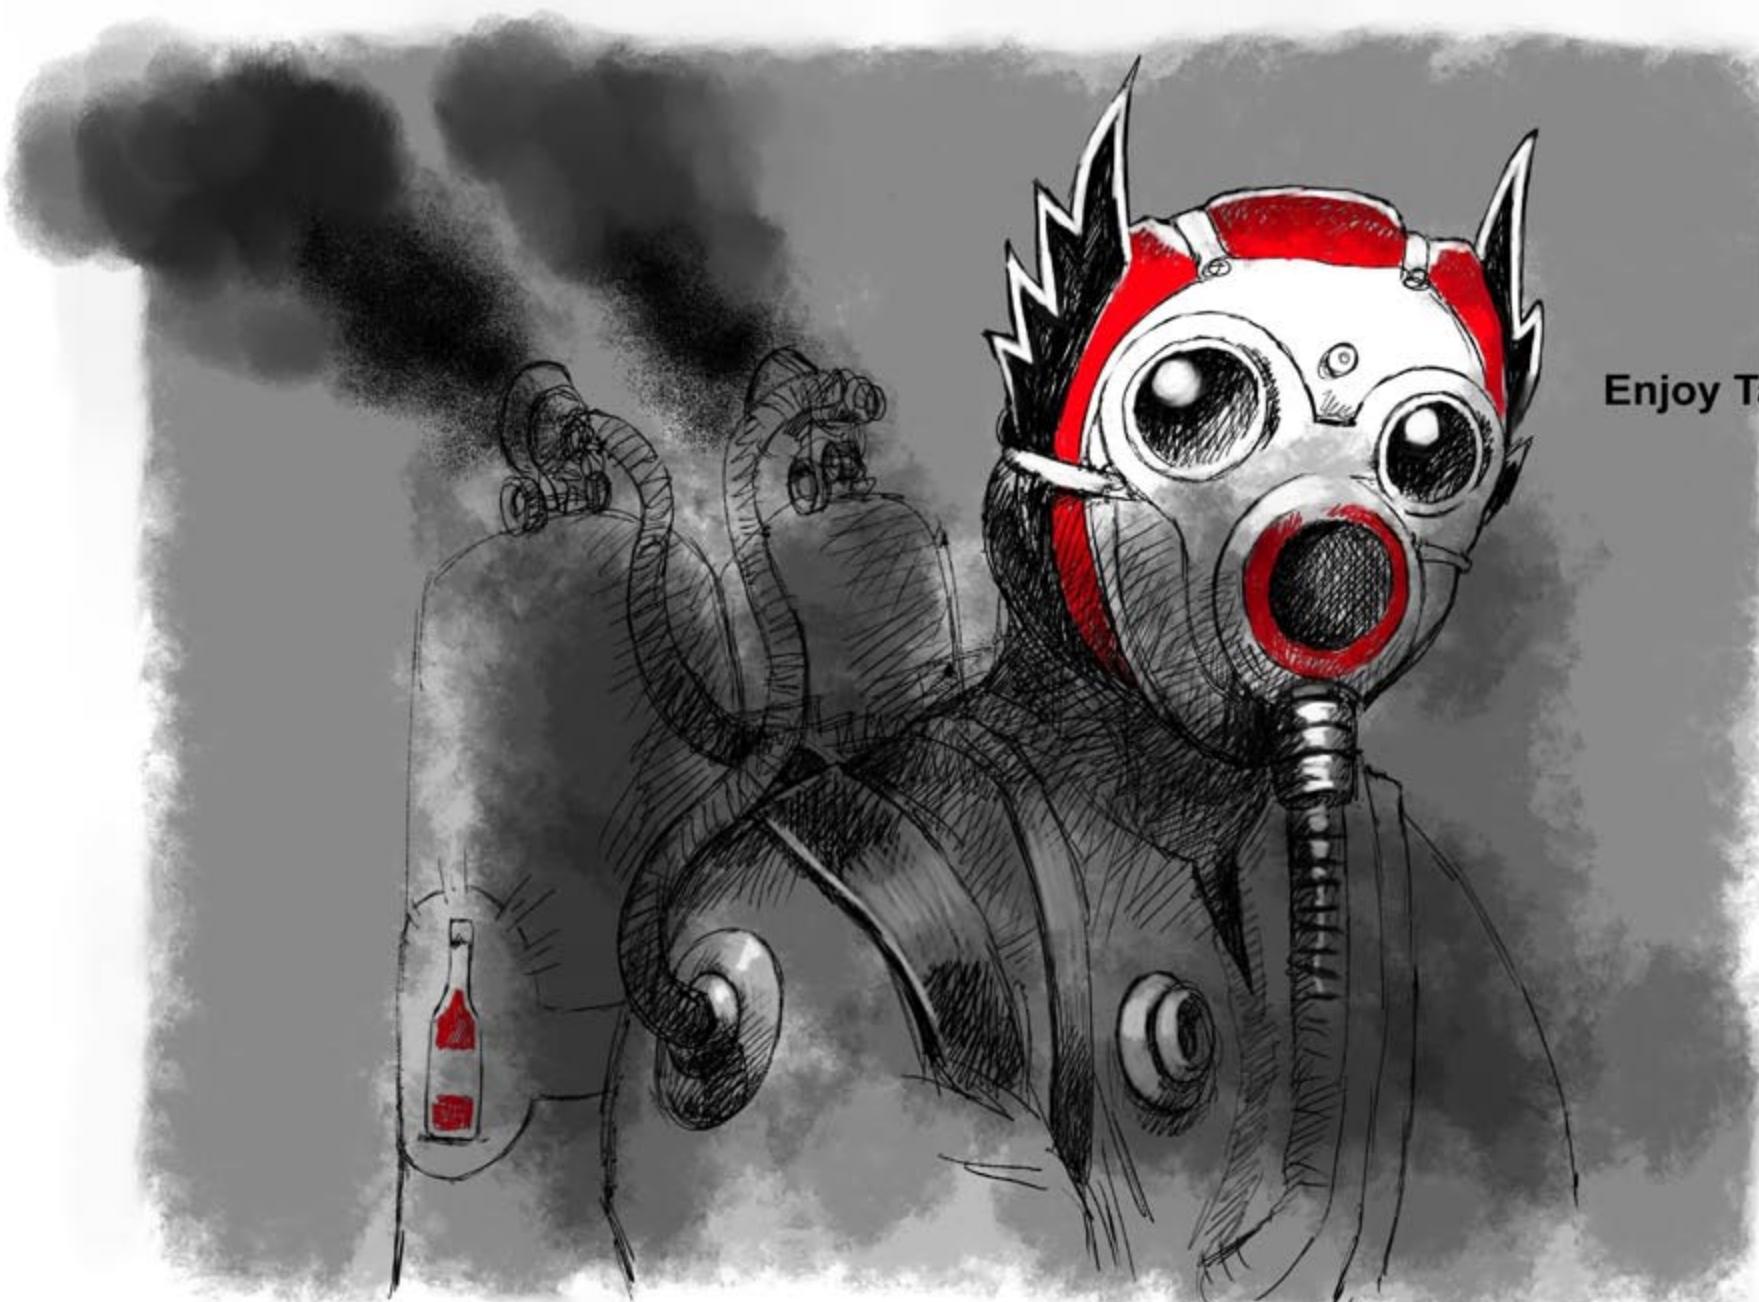

Death takes a malibu drink and tells me  
that she loves bad boys like me..

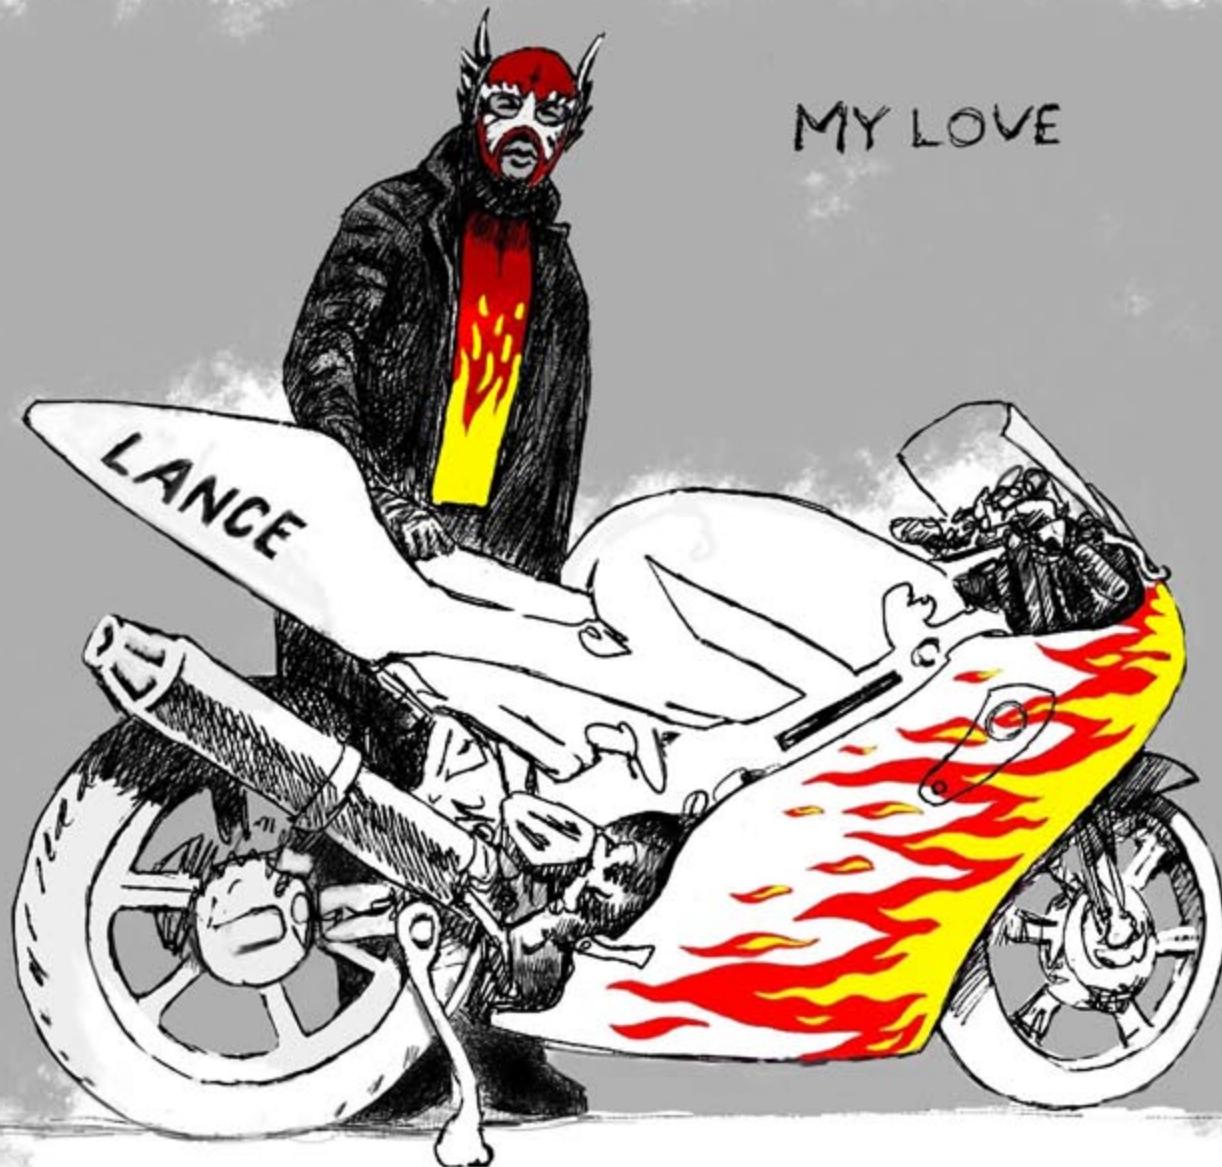

13 years old, monsters are playing with me ....  
Between confusion and consternation ...I am an  
easy prey, but not docile..To hide is to survive

**In another dimension  
I was a friend of Velasquez  
With "Las Meninas" too!**

**My dog "Stupid" eat  
Chihuahua and Yorkshire**

**The death of Hector.**

Virgin say "yes"  
But i have a derringer  
in my "sinistra"
